**New York Federation of Music Clubs
2010 – 11 Dues Notice**

Sylvia Smith, Treasurer

Dear Member,

This is the dues and contributions notice for this fiscal year. All dues should be paid by December 1, 2010. Below are several statements about membership or dues and those checked may apply to you. For your convenience, your address label is at the top of the form. Please check it for accuracy, and make any necessary corrections on the form (not the label).

You will note, on the front of this form, that the Senior Organization fees have increased. These increases were approved by the National Federation at their meeting last year.

In order for each paid member of a Senior Organization to receive "Music Clubs Magazine", the Senior Organization leader must supply the names and addresses of their paid members to me. Be sure to include the leader's telephone number in case we need to contact you.

Each Junior Counselor or leader of a Junior Club should receive "Junior Keynotes" magazine. Please order extra copies for interested parents and students.

Extra magazine subscriptions are available, and contributions to the named award funds, for summer music camp awards, and for designated special awards are welcome. NYFMC is a charitable, tax exempt and volunteer organization to foster young talent, to encourage composers and promote American music.

Sincerely,
Sylvia Smith

_____ You are a life member and do not have to pay dues for individual membership. Being a Life Member, you automatically receive the Music Clubs Magazine. Please feel free to order "Junior Keynotes" or contribute to any of the award funds.

_____ You are a Senior Organization chair and we need a list of your members and their addresses so they can receive the Music Clubs Magazine. If you provided a membership list year, a copy is enclosed for your additions and deletions. Please make sure that the number of names and addresses match the number of paid members and return the corrected list and dues payment to me.

_____ You are a member of a Senior Organization (such as Tompkins County Music Teachers or Buffalo Senior Club) and your dues are paid to me by that organization. Please make sure that your Senior Organization has included you on their list of paid members.

_____ Your are joining as a new Junior Club. Can your students choose a name like "Noteworthy Achievers" or "Happy Keys"? Perhaps you prefer your last name and Music Studio. You, as their leader or Junior Counselor, must also join as a member of a Senior Club or an individual Senior Special Member.

_____ Junior Club teachers (and adult leaders of Junior Clubs), who enter their students in Junior Festivals, must also be a member of the New York Federation. The teacher can do this by paying dues for a Senior Special membership or by joining a Senior Club. Our records indicate that you, the teacher or leader, are not presently listed as a Senior member.

_____ We have no record of your dues payment for last year. Please let me know if you wish to continue membership or be removed from the mailing list.
